GLY-PRO™ FG HTF Allergen Statement

This statement confirms that the product herein does not contain any of the nine major food allergens (milk, eggs, fish, crustacean shellfish, tree nuts, peanuts, sesame, wheat, and/or soybeans) as stipulated by the Food Allergen Labeling and Consumer Protection Act of 2004 (FALCPA) and FDA Guidance Sec. 550.250. The manufacturing process is controlled to prevent cross-contamination with these allergens. Moreover, this product is not formulated with any of the 26 allergenic substances identified in the Cosmetics Products Regulation (EC) 1223/2009. Based on a thorough review of our raw materials and manufacturing procedures, these substances are not expected to be present in the final product.

- Peanuts or peanut products (butter, oil, flour)
- Tree nuts (almonds, pecans, walnuts, Brazil nuts, cashews, chestnuts, etc.)
- Plant derivatives, including nuts and seeds
- Eggs or egg products (whites, yolks, meringue, mayonnaise, etc.)
- Fish (cod, flounder, salmon, trout, tuna, etc.)
- Shellfish (crustaceans and mollusks)
- Celery (root, leaves, stalk, not seeds)
- Dairy or dairy derivatives
- Cereals containing gluten
- Wheat or wheat products
- Soybean or soy products (soy derived vegetable protein, tofu, etc.)
- Sulfites
- Umbelliferae (carrot or parsley family)
- Flavors/enhancers
- Nitrites/nitrates

Please reach out for any additional information or clarification.

Regards
